COMMENTS

- When I arrived, I knocked on your door to speak with you about your service. I'm sorry I missed you.

WHAT I DID AND WHAT TO EXPECT

- Today, I applied fertilizer, preemergent crabgrass control, and broadleaf weed control. This will help thicken your lawn, improve its color and prevent annual grasses and other weeds from becoming a problem later on. This treatment will also control any broadleaf weeds in the lawn. Allow 7-21 days for weeds to begin to curl.
- Stay off of areas until treatment has dried.
- How am I doing? Go to TruGreen.com, Acct login, under How am I doing, click on the Take Survey link. The feedback helps us give the best service. Please make sure you refer to me by name! Thank you!
- Thank you for choosing TruGreen. It was a pleasure to serve you today.
