COMMENTS

- When I arrived, I knocked on your door to speak with you about your service. I'm sorry I missed you.

WHAT I DID AND WHAT TO EXPECT

- Today, I applied sulfur to your lawn. This annual application of sulfur is part of your regular lawn care program and may be applied anytime of the year. It can coincide or be applied within a few days of the standard lawn treatment. It will help improve nutrient availability and the overall health of your lawn. Since the sulfur dissolves slowly no additional watering is necessary.

- Thank you for choosing TruGreen. It was a pleasure to serve you today.
