COMMENTS

- When I arrived, I knocked on your door to speak with you about your service. I'm sorry I missed you.

WHAT I DID AND WHAT TO EXPECT

- Today I treated your landscape for mosquitoes, which will significantly reduce populations of flying mosquito adults on your property. This will also repel mosquitoes that land on the treated plant material but can't completely eliminate the possibility of mosquitoes traveling from other properties. To ensure the success of the application, please remove any standing water that might be present on the property, especially after rainfall.
