COMMENTS

- Hello! To ensure social distancing as advised by CDC guidelines, I did not knock on your door today but was able to complete your TruGreen service. Thank you for choosing us to care for your property.

WHAT I DID AND WHAT TO EXPECT

- Today, I applied fertilizer to thicken up your lawn and improve its health and color.
- Today, I treated grassy weeds in your lawn. You should see weeds begin to turn color and decline in 7 - 21 days.

WHAT I NOTICED

- I noticed your lawn is too long.

WHAT I RECOMMEND

- Your lawn would benefit from more frequent mowing, so that no more than 1/3 of the grass blade is removed.
- In the absence of rain supply one-half to 1 inch of water 1 to 2 times weekly. A rain gauge or even a tuna can will make a good measuring device.
