COMMENTS

- Hello! To ensure social distancing as advised by CDC guidelines, I did not knock on your door today but was able to complete your TruGreen service. Thank you for choosing us to care for your property.

WHAT I DID AND WHAT TO EXPECT

- Today I applied an insecticide, miticide and fungicide to your ornamentals. This treatment will work on active leaf feeding insects and mites and slow any disease growth on your landscape as well as help prevent disease development on new leaves.
- How am I doing? Go to TruGreen.com, Account login, click on the Send us your feedback link. The feedback helps us give the best service. Please make sure you refer to me by name! Thank you!
