COMMENTS

- Hello! To ensure social distancing as advised by CDC guidelines, I did not knock on your door today but was able to complete your TruGreen service. Thank you for choosing us to care for your property.

WHAT I DID AND WHAT TO EXPECT

- Today, I applied potash fertilizer to strengthen the root system of your lawn plus weed control to manage existing broadleaf weeds. You should see weeds discolor and decline in 14-21 days.

WHAT I NOTICED

- I noticed the lawn has not started to grow yet this year.

WHAT I RECOMMEND

- As temperatures increase, your lawn will begin to green up and our TruGreen lawn program will help this process along.
-
- Stay off of areas until treatment has dried.
 - How am I doing? Go to TruGreen.com, Account login, click on the Send us your feedback link. The feedback helps us give the best service. Please make sure you refer to me by name! Thank you!
 - I made sure to close the gate after I was done with the treatment.
-
- Thank you for choosing TruGreen. It was a pleasure to serve you today.
 - Please contact us if you have any questions or other concerns. Thank you for choosing us.
