COMMENTS

- Hello! To ensure social distancing as advised by CDC guidelines, I did not knock on your door today but was able to complete your TruGreen service. Thank you for choosing us to care for your property.

WHAT I DID AND WHAT TO EXPECT

- Today, I applied fertilizer, preemergent crabgrass control, and broadleaf weed control. This will help thicken your lawn, improve its color and prevent annual grasses and other weeds from becoming a problem later on. This treatment will also control any broadleaf weeds in the lawn. Allow 7-21 days for weeds to begin to curl.

- Thank you for choosing TruGreen. It was a pleasure to serve you today.
