COMMENTS

- Hello! To ensure social distancing as advised by CDC guidelines, I did not knock on your door today but was able to complete your TruGreen service. Thank you for choosing us to care for your property.

WHAT I DID AND WHAT TO EXPECT

- Today, I applied an insecticide and fungicide to your trees and shrubs that will benefit. This treatment will work on active leaf feeding insects and slow the disease growth on your landscape and help prevent new development on new leaves.

- Thank you for choosing TruGreen. It was a pleasure to serve you today.
