COMMENTS

- It was a pleasure speaking with you today. We really appreciate your business. As a follow-up to our conversation, I've left you my notes below. Thank you for trusting us to service your property.

WHAT I DID AND WHAT TO EXPECT

- Today, I applied fertilizer to thicken up your lawn and improve its health and color.

WHAT I RECOMMEND

- I recommend mowing at the proper setting for your grass type during the season to promote a thick healthy turf. Mow often enough to remove no more than 1/3 of the grass; mulch clippings into the lawn.
- In the absence of rain supply one-half to 1 inch of water 1 to 2 times weekly. A rain gauge or even a tuna can will make a good measuring device.
