COMMENTS

- Hello, I knocked on your door to speak with you about your service. I'm sorry I missed you. As a follow-up to my visit, I've left you notes below. Thank you for trusting us to service your property.

WHAT I DID AND WHAT TO EXPECT

- Today, I applied fertilizer to thicken up your lawn and improve its health and color.
- Today, I treated for broadleaf weeds in your lawn. You should see weeds begin to decline in 7 - 21 days. For best results avoid mowing for 24 hours.

WHAT I RECOMMEND

- I recommend mowing at the proper setting for your grass type during the season to promote a thick healthy turf. Mow often enough to remove no more than 1/3 of the grass; mulch clippings into the lawn.
- In the absence of rain supply one-half to 1 inch of water 1 to 2 times weekly. A rain gauge or even a tuna can will make a good measuring device.

- How am I doing? Go to TruGreen.com, Acct login & under "How am I doing" click on "take survey" link the feedback helps us give the best service. Please make sure you refer to me by name! Thank You!
- I made sure to close the gate after I was done with the treatment.

- Thank you for choosing TruGreen. It was a pleasure to serve you today.
- Please chat with us using your TruGreen mobile app or access your account on TruGreen.com 24 hours a day if you have any questions or other concerns. Thank you for choosing us.
