COMMENTS

- Thank you for allowing us to service your property today. I did not knock on your door today per your earlier request.

WHAT I DID AND WHAT TO EXPECT

- Today, I applied fertilizer to thicken up your lawn and improve its health and color.
- Today, I treated for broadleaf weeds, annual grasses and nutsedge in your lawn. You should see these weeds turn color and begin to decline in 7-21 days. For best results avoid mowing for 24 hours.
